

2023 Wilson Communications General Scholarship Guidelines and Eligibility Requirements (Ellsworth High School)

Since its inception in 1984, the Wilson Communications' Scholarship Program has awarded over \$160,000.00 in scholarship opportunities to students in our service area. We strongly believe that our youth are the future of our rural communities, and we are honored to offer these opportunities to them. The selected student(s) will be awarded one-time \$500 scholarship.

To be eligible to receive a scholarship from Wilson Communications, all items must be included and the applicants must meet the following criteria:

- A graduating Ellsworth High School senior or a non-traditional student that resides in the Ellsworth area. Non-traditional is defined as those that are attending online or who are home-schooled.
- Accepted to a four-year college, university, junior college, vocational or trade school.
- The application must be signed. If the student is under the age of 18 a parent/guardian's signature will also be required.

Each selected recipient will receive one, nonrenewable \$500 award. This will be payable in a \$250 installment per semester for two semesters and sent directly to the recipient's school on their behalf. It is the recipient's responsibility to contact our office for issuance of each installment.

We encourage students to submit all documents electronically. Only complete applications received by the due date will be considered. Deadline to be submitted to Wilson Communications is **April 3, 2023**.
