Company Topics are listed in the title bar row. Hover your mouse over any of these topics and a fly-out menu will appear below the topic. For example, if you want to view the Channel Lineup, hold your mouse over Digital TV and the menu will appear. If you highlight and click Channel Lineup, you will find the programming available from Wilson Communications.

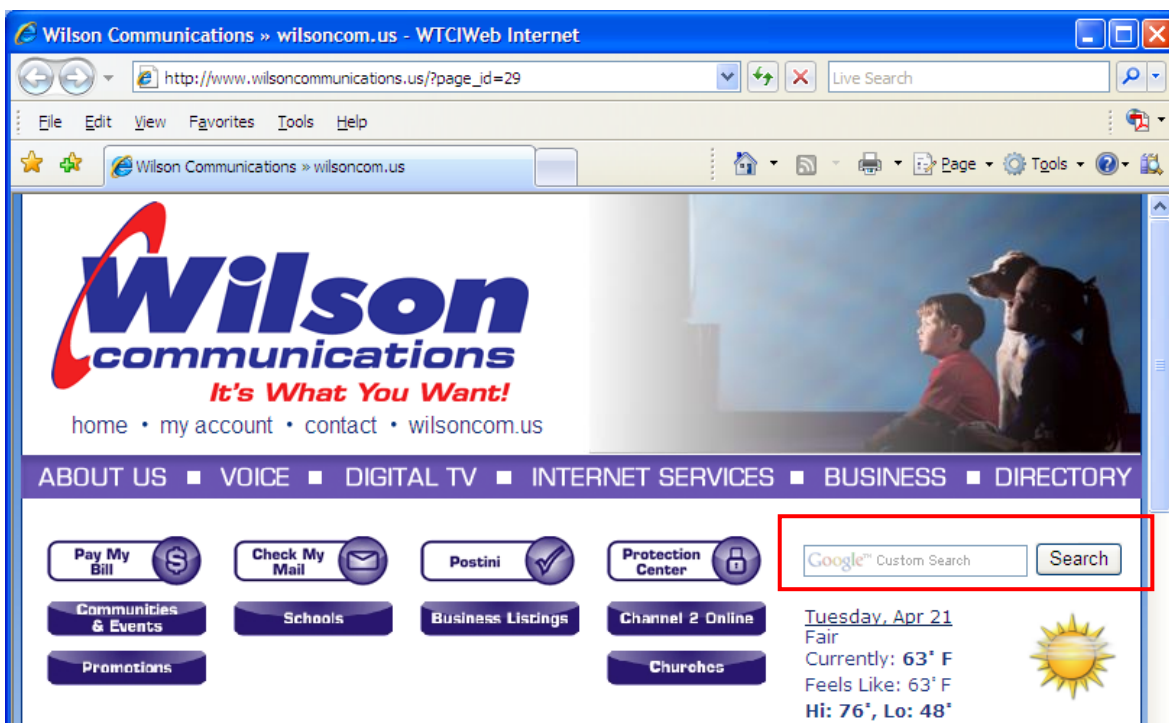

Use the convenient buttons to guide yourself to online bill payment, check your web mail account, check your message filter service, find programs to protect your system, see community events, view online local business listings, information on area churches and much more.

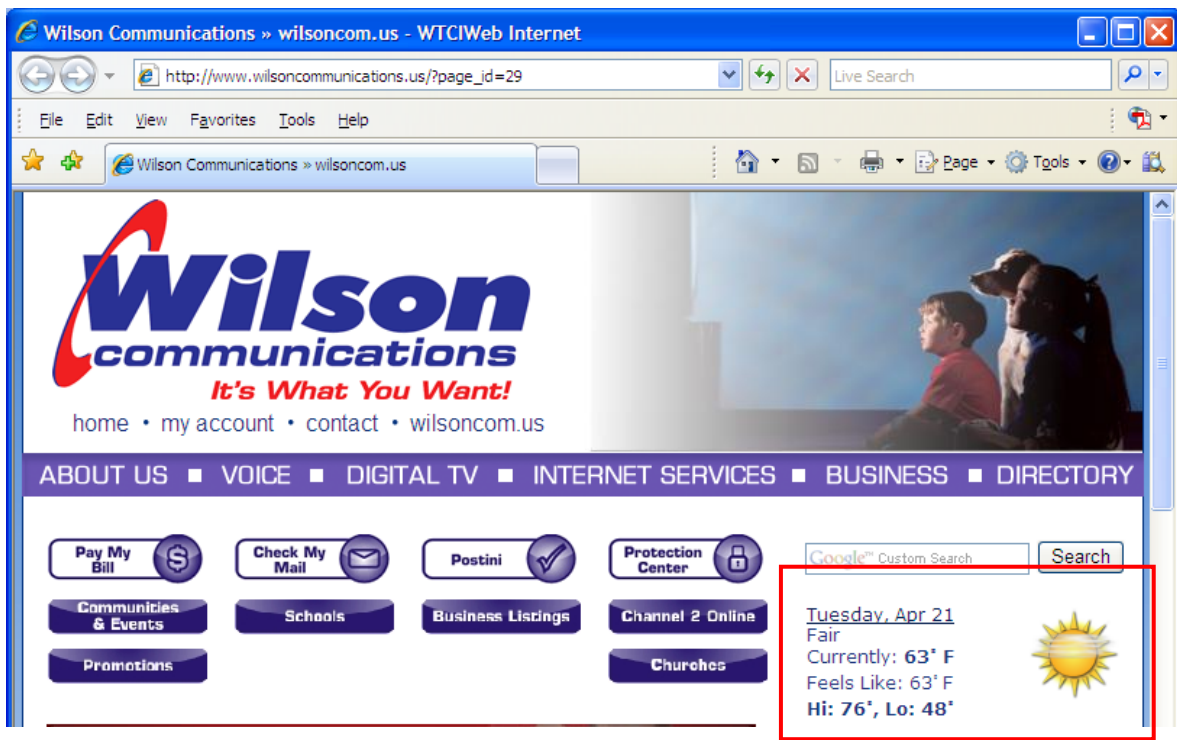

Below the information buttons, you can jump to Promotions and Complete TV Listings from TVGuide.com.

The NEWS section of the home page contains up-to-date headlines from across the country, including links to the Salina Journal and USA Today. There are also categories for Sports, Health, Entertainment and Money.

In addition to the content directly available on the homepage, the Google search engine is available to search for information. Just enter your keywords in the Custom Search field and click Search.

To see the weather forecast for the day, week or across the nation, just select the weather icon on the right hand side of the page.

The Useful Links section includes convenient links to local, regional and national points of interest.

Thank you for your business and utilizing the Wilson Communications' home page!
